SKILLS

Languages:	Python, SQL
Frameworks & Web:	HTML, CSS, JavaScript
Tools / Platforms:	MySQL, Power BI, MS Excel, Jupyter Notebook, VS Code, Data Processing Tools, IntelliJ IDEA
Soft Skills:	Problem-Solving, Teamwork, Anchoring, Adaptability, Public Speaking, Group Discussion

PROJECTS

Library Management System | Live Link

Jul' 25 – Aug' 25

- Developed a Python-based library management system used for managing library operations efficiently.
- Implemented secure backend logic for book issuing, book returns, and fine calculations with accurate validations.
- Built modular service layers to streamline library operations and improve overall system performance.
- Established secure user registration, login authentication, and library account creation ensuring data integrity.

Ticket Booking Web Application | Live Link

Feb' 25 – Mar' 25

- Developed a dynamic travel platform using Python (Flask) and SQLite to search and book flights, trains, buses, and hotels across India.
- Integrated live APIs (FlightRadar24, Rapid API) to display real-time flight statuses, mapping coordinates, and realistic pricing mockups.
- Built a secure user dashboard for managing active bookings, viewing lifetime expenditure statistics, downloading digital tickets, and managing profiles.
- Designed a highly responsive, animated frontend with dark/light themes using HTML/CSS/JS, and deployed the live application.

TRAINING & INTERNSHIPS

Fundamentals of Data Structures — Summer Internship

Jun' 25 – Jul' 25

- Completed a summer internship program focused on Java development and real-world GUI-based applications.
- Gained firsthand experience in building Java GUI applications using Swing / AWT, including event handling and user interaction.
- Developed mini-projects demonstrating problem-solving through object-oriented programming principles in Java.
- Strengthened understanding of core Java concepts, application flow, and user interface design for efficient software solutions.
- Earned Grade 'B' (70% and above) as per internship evaluation criteria.

CERTIFICATIONS

Advanced Robotics Applications Apr' 26

Artificial Intelligence Course — By Oracle Learning Jan' 26

Build Generative AI Apps and Solutions with No-Code Tools — Udemy Dec' 25

Java and Graphical User Interface — Authorized by Microsoft Nov' 24

ChatGPT-4 Prompt Engineering, Generative AI & LLM — Infosys Oct' 24

ACHIEVEMENTS & LEADERSHIP

5th Rank — Lovely Professional University Hackathon

Sep' 24

- Secured 5th position out of 200+ participants in university-level competitive coding hackathon.

Experience & Extra-Curriculars

- Worked as an Academic Counsellor at Nyeras.com Education Technology PVT LTD.
- Served as Head Coordinator at Lovely Professional University Events.

EDUCATION

Lovely Professional University — Phagwara, Punjab

Aug' 23 – Present

Bachelor of Technology in Computer Science and Engineering | CGPA: 6.00

DAV Police Public School — Panipat, Haryana

Apr' 21 – Mar' 22

Intermediate (Class XII) | Percentage: 70%

DAV Police Public School — Panipat, Haryana

Apr' 19 – Mar' 20

Matriculation (Class X) | Percentage: 70%
